Re: Proposed "Broadcast Ownership Rules"

Honorable Ms. Abernathy -

I urge you NOT to relax the broadcast ownership rules that protect American citizens from media monopolies.

When you look at who is pushing for this, you will find large corporations - ABC, Viacom, Disney, CBS. They are chafing to get control back of the media, and they want to control the independent broadcasters and, by extension, the public's thinking.

We in America have the wonderful RIGHT to Freedom of Speech, and the media has to be accessible and available to all citizens, not just large conglomerates. When you look at the HUGE popularity of independent and alternative broadcasts, you will see that the citizens have already voted with their patronage.

I urge you to NOT adopt these broadcast ownership rules, but to leave things as they currently are.

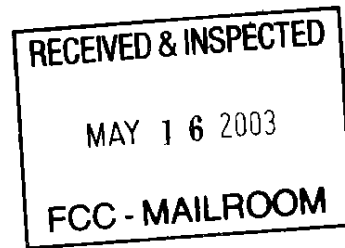

Sincerely,
